5th Year Option Form 2019/2020

Student Name:

Class:

Please rank the following subjects in ORDER OF PREFERENCE (1-11) where 1 is your 1st choice and 11 is your last choice. You MUST fill in all 11 options. Please return to Mr Duffy by Thursday February 13th at 4pm. This form MUST be signed by a parent/guardian. While we cannot guarantee that every student will get all of their options, we will do our best to ensure that everyone gets at least 2 of their options.

We have included Spanish and French here purely for informational purposes. We may remove French and Spanish as a compulsory subject if the demand is there. It would be very important for you to know the implications* for 3rd level studies if you do not study French and Spanish. Our advice would be if you are in doubt about what course you would like to study in the future you SHOULD do Spanish or French. We would recommend that you speak to Ms Ní Chrualaoich before making this decision.

* [From Qualifax Website]

NUI Maynooth, UCD, NUIG and UCC, and a range of associated constituent colleges, all of which are listed on the NUI website at www.nui.ie. In recent years NUI colleges have dropped their third language requirement for engineering and science programmes. UCD has also dropped it for their agricultural programmes. Nursing at NUI colleges never required a third language. A third language must be included for arts, human sciences, law, social science, commerce, medicine and health sciences and some other degrees. A third language is also a requirement for entry into the cadetship in the army or air corps. Trinity accepts Irish as a second language requirement. UL and DCU and the Institutes of Technology do not require a continental language for entry purposes to most of their courses, apart from those which involve the study of such a language.

Subject	Preference Number
Art, Craft, Design	
Biology	
Business Studies	
Construction Studies	
Engineering	
French	
Geography	
History	
Home Economics	
Music	
Spanish
