

Reopening St Kevin's Community College for ALL Students on Monday, April 12th 2021

Illness/Symptoms: If your son/daughter displays any 1 of the symptoms of Covid-19 (coughing, shortness of breath, flu symptoms, loss of taste/smell) we ask that you keep them at home and ring your GP immediately.

3rd year students will be allowed to leave school for lunch. We would ask that students go home where possible and NOT to local shops. This is to prevent longer queues and further reduce contacts with other people. If not possible to go home, please stay in school with a packed lunch or use canteen facilities.

Split morning break as normal – arrangements and locations slightly different. You are in same canteen for break and lunch.

Lunch Arrangements: Students should NOT mix with other year groups at any time after we return. This is more important now than ever before with the more dangerous variant of the Covid disease present in the country. 1st years and 2nd years can go out the back to play football etc but should be in their own year. The area along the side of the school along rooms 3,4,5,6,7,10 & 11 is strictly out of bounds for all students.

No congregating at Londis or other shops. Masks MUST be worn inside any shop. You will not be served without wearing a mask .
Students from 3rd-6th year who stay in should use Canteen A

Uniform

Full and proper uniform is expected at all times. This includes black shoes. Please ensure uniform is sorted early so students are fully prepared to start the final school term positively.

Classrooms

Classrooms need to be kept clean and tidy at all times. Not only from a covid point of view, but also important that you have somewhere clean and tidy to learn in.

Extended Reg until 9.40 on Monday April 12th.

Mask Wearing: Masks must be worn at all times, unless outdoors or eating (social distancing vital). Wearing masks under nose is not acceptable. Students will be given a reminder – then a warning – then sent to Deputy or Principal. After this, students will be sent home for the rest of the day on health and safety grounds.

Exit school by closest door possible (students in prefabs/LL/Library do not come back into main school.) Exit in orderly fashion and keep masks on until you are out of close contact with others.

Social Distancing: It is really important to talk to your son/daughter about this and what it means.
