Dear Parent/Guardian

In these unprecedented times it is important now more than ever before that your child engages in Physical Education and Physical Activity. Just like all other aspects of school life, Covid-19 has changed the way we will deliver our Physical Education Programme here in St Kevin's Community College.

We are hoping to do as many of the PE classes outdoors as we can. This will obviously be weather dependent. As part of this we will be using the school grounds and the surrounding area. Students will have to cross minor roads at times so please reiterate the importance of road safety to your child. **If you have any issues with this, please contact Mr Smith in the school.**

Students will have to wear face masks when they are doing PE in the Sports hall and Gym.

If your child is a senior student (4th, 5th or 6th year) and they go home for lunch they can change into their school uniform if they so wish. Personal hygiene is of great importance so please ensure your child brings deodorant with them. They should also practice social distancing, cough/sneeze into the elbow and sanitise their hands regularly.

Principal

Tony Barry
